Cotton canvas (320 gsm – 100% cotton)

Wottex™ FR (380 gsm – fire retardant polycotton)

With a spacious inner area of 4.1 by 4.5 meters and a height of 2.7 meters, this bell tent is ideal for glamping sites or as an additional guest room in your garden. This high-end glamping tent is suited for up to 1 double and 1 single bed in various set-up options.

The Jay Bell 4.4 Tent is crafted in a selection of high-quality materials, designed with the greatest care, and full of useful features: large inviting doors, interchangeable window panels, large side and rear windows, and an optional inner liner guaranteeing you an unforgettable glamping experience.

The Jay Bell 4.4 has a beautifully finished center pole, enlarged door opening with A-frame and zippable PVC groundsheet.

The luxurious Jay Bell 4.4 is perfect for glamping sites or as an additional outdoor guest room in the back of your garden
