COLOURS

This naturally coloured 4m bell tent from the Essential collection is crafted from breathable polycotton canvas and features a sturdy steel center pole and A-frame – providing a wide inviting entrance to your bell tent.

This glamping bell tent has a sewn-in groundsheet and three mesh windows for optimal ventilation, perfect for balmy summer nights.

The Autentic 4m Essential bell tent is the perfect choice for those looking for a glamping bell tent that offers all the reliable Autentic quality, without the added extras.
