## ABOUT THE BILLY-JOE BELL 7.2

With a sprawling 32.6 square meters of space, this majestic Billy-Joe Double Bell Tent is the most awe-inspiring glamping tent within the Autentic collection. This bell tent is crafted with the greatest care and comes in a selection of high-quality tent fabrics.

Billy-Joe is full of useful features: large inviting doors that can be lifted to create shade, an optional insulating air cushion and interior partitioning system, interchangeable window panels, ...
