

AUTENTIC

SETUP INSTRUCTIONS

BILLY-JOE H-FRAME EXTENSIONS

PACKING LIST

2 x CURVED EXTENSION

ADD THE EXTENSIONS TO THE CENTER H-FRAME BEFORE PLACING IT IN THE TENT

1

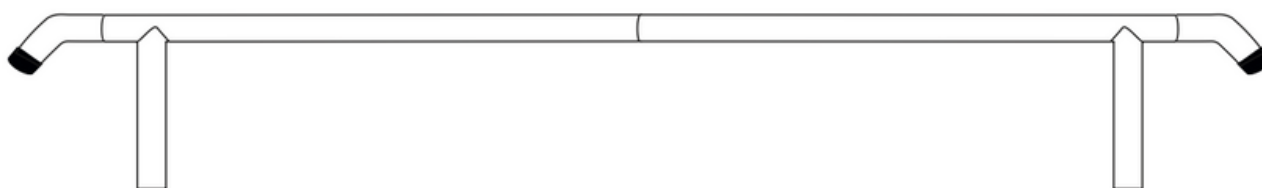

Remove the pole ends from the 2 pieces of the center frame.

2

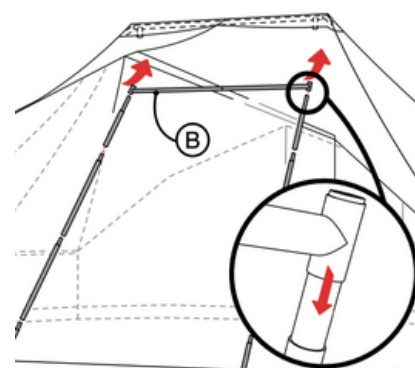

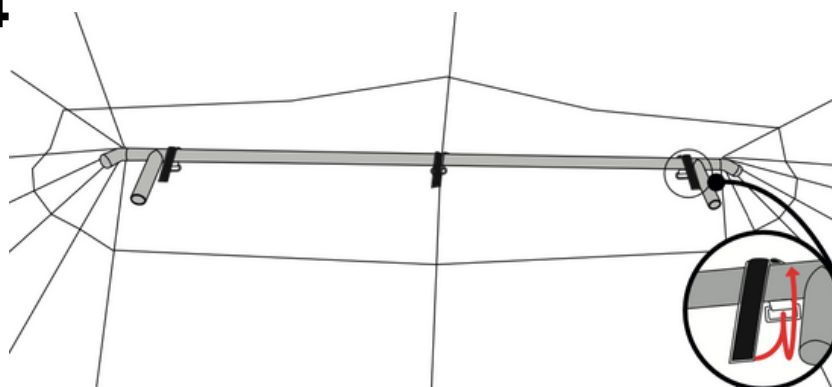

Install the curved H-Frame extensions. Press the buttons as you slide the pieces into the frame.

3

Assemble both pieces.

4

Continue the installation of the center H-Frame.

Disclaimer

Always ensure your tent is perfectly pitched, anchored and tensioned to avoid damage of any kind. We advise not to use the tent in extreme weather conditions.
